

WITH **ROCKETPEN** READER

- Reading becomes more fun
- Reading long or unfamiliar words is no longer an obstacle
- Readers become more independent
- Readers become more self-confident

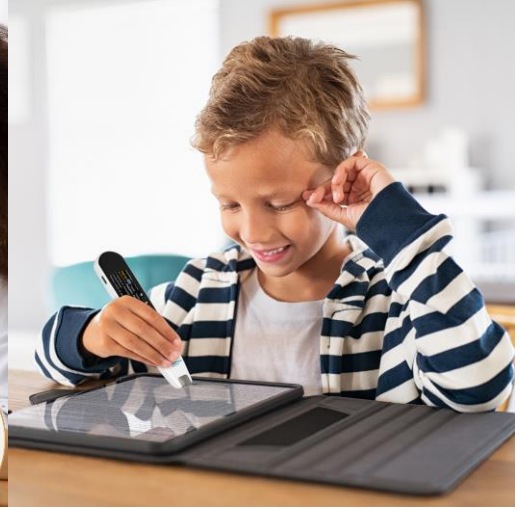

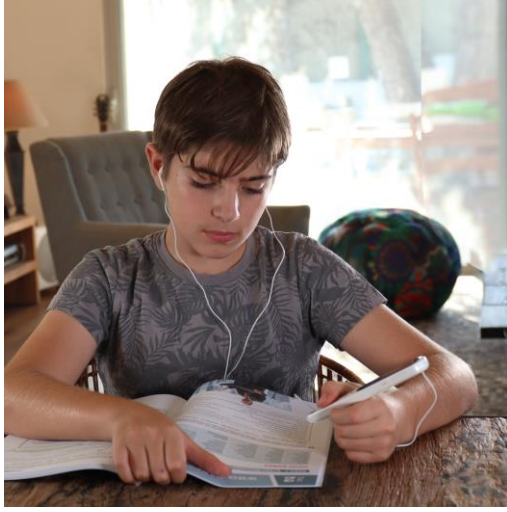

Contains:
Oxford English dictionaries
Larousse French dictionary

RocketPen Reader is designed specifically to help readers improve their reading skill.

This fully portable scanning device helps with comprehension and reading fluency by providing immediate definitions from well-known Oxford and Larousse dictionaries.

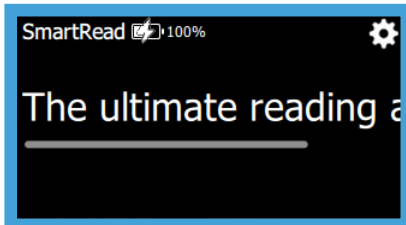

Scanned text and definitions can be read aloud, using natural voice TTS, allowing readers to maintain their reading flow, even when encountering unfamiliar words.

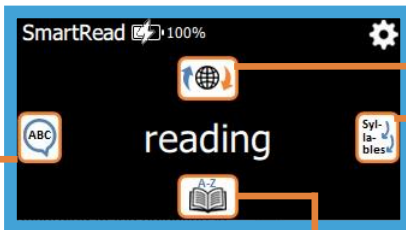

Improve your reading comprehension with RocketPen Reader

Following are some of the main features that RocketPen Reader is offering to assist you in the reading process:

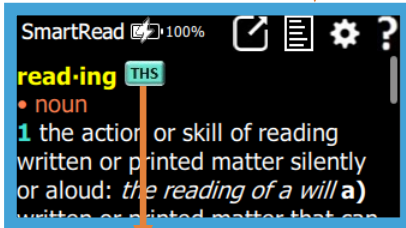

- Scans single word or full line of text and reads it aloud:

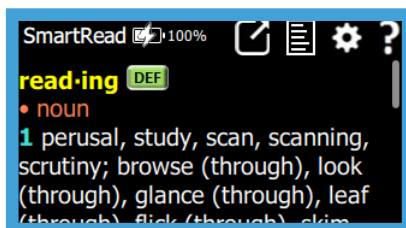

- Displays selected word in large font to enable easier, clearer viewing:

- Displays definitions of the scanned text:

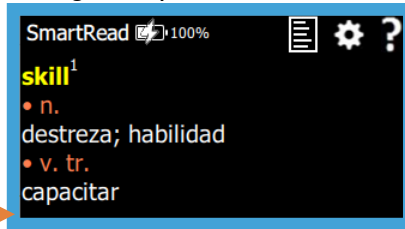

- Displays synonyms and antonyms (English dictionary):

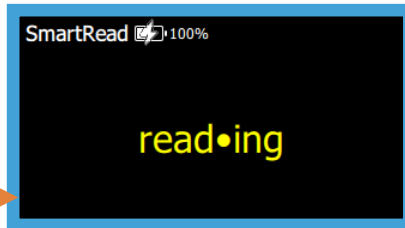

- Spells out scanned words, highlighting individual letters

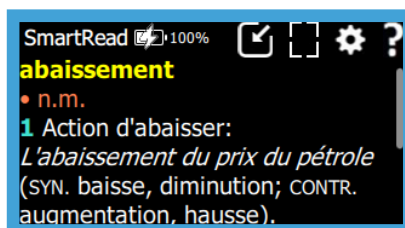

- English-Spanish translation:

- Displays syllabic division of selected word (English):

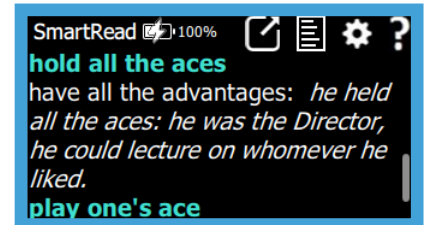

- With one click, display can be changed to *complete view* to see additional information, such as usage examples, phonetics, etc. (English) and synonyms, antonyms, etc. (French)

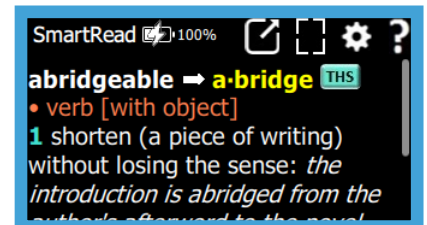

- Color touch screen
- A highly intuitive, user-friendly icon interface
- Dictionary lock for exam mode
- Text can be also scanned from digital screen, e.g., computers, tablets, smartphones, etc.

NOTE: bullets in red represent features unique for RocketPen Reader

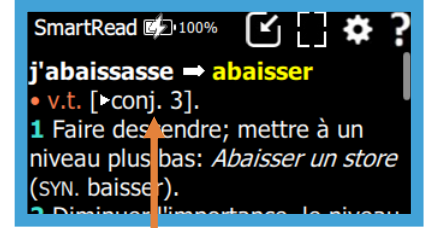

- Direct look-up of idiomatic expressions:

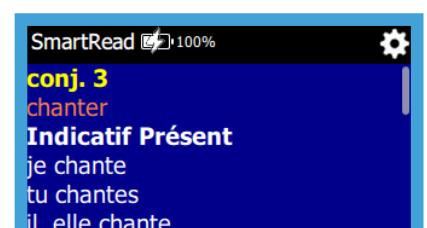

- Identifies any inflected form and displays its corresponding entry: (English dictionary)

- (French dictionary)

- Displays verb conjugations. Each verb entry contains a pattern number of the verb conjugations. Clicking on it, displays all derivatives (French):
